(10.2cm x 9.53cm x 5.1cm)**

DA-AN-01 Antenna Bracket Details

DA-AN-01 Information

- Bracket parts B, C and D are not assembled and require assembly after the antenna is mounted to the top plate and gasket.
- The antenna washer and nut (parts E and F) are included with the DA-ANT-5B five band antenna.
- The antenna must be mounted to Part C (top plate) and Part D (neoprene gasket) before the top plate is screwed to Part G (enclosure).

Fast and Easy Installation

- Drill a 1.125" (2.86cm) 2.0" (5.1cm) on center from top of cabinet. Hole must be a minimum of 2.0" (5.1cm) from the side of the cabinet
- Thread cables through hole and 3/4" conduit nipple
- Remove paper from tape on the bracket
- Tighten nipple from inside the cabinet
